## Thank you!

We want to extend a huge thank you to dancers, families and instructors for making the first month back in the studio run so smoothly! We know the current COVID-19 situation has brought about many changes and uncertainties. Thank you for adhering to our studio policies and remaining part of our dance family. A reminder to respect social distancing within the studio, wash/sanitize your hands and stay home if you are unwell. Our [detailed COVID-19 policies are posted on our website](#) for reference. Thank you!

## Costume Orders & Deposits

Got 2 Dance Productions will be ordering costumes and corresponding tights for both Performing Arts and Recreational Dancers. A costume payment/deposit is required to secure your dancer's costume order. This costume deposit may not cover the entire portion of your dancer's costume and any outstanding balance must be paid before the costume is delivered. Recreational and Rising Stars costumes will arrive before the Christmas Recital, and the dancers will wear this costume for both Christmas and year-end shows. Performing Arts costumes will arrive between February and March.

Recreational dancers costume fees were included with the first lesson fee payment; no further payment is required. Performing Arts dancers costume deposit will be \$50/routine. When possible, some costumes may be reused from last season. G2D will communicate this to families as soon as costuming decisions are made by instructors.

Instructors will be completing costume measurements this month which include measuring the dancer's chest, waist, hips, girth and inseam. Costumes are ordered to fit the dancer's largest measurement, to ensure costumes are not too small and allow some room for growth. Costumes may require some alterations once they arrive, which will be responsibility of the dancer's family. If you have any questions or concerns regarding costumes, please speak with your instructor.

Performing Arts costume deposits are due by **November 5th**. Any remaining balances will be communicated when the costumes arrive. Thank you!

# Christmas Recital

As the weather grows colder, it is time to turn our thoughts to sleigh bells, snowmen and Christmas cheer! We will send out more detailed information once we have confirmation on performance COVID guidelines with the Memorial Centre. Please note that this year's recital will be much smaller in scope to limit the number of dancers performing and attendees in the audience, in adherence with COVID restrictions. We are committed to providing a safe performance opportunity for our students so that they can take to the stage and do what they love!

**When: Saturday, November 28<sup>th</sup>**

**Where: Red Deer Memorial Centre (4214 58 St, Red Deer, AB)**

**Time: TBA**

**Tickets: TBA**

Thanks for your support!

## No Classes Thanksgiving

There will be no classes on Monday, October 12<sup>th</sup> to allow dancers, their families and instructors time to participate in festivities.

## Halloween Dress-Up Week

Dancers are welcome to dress up in their Halloween costumes for classes October 26-29. Please ensure the costume allows the dancer to move freely so it does not interfere with participation in class.

## Attire Orders

G2D attire orders were sent out last month and order forms are due by Thursday, October 22. Great for studio AND street wear - attire is the perfect way to showcase your studio and makes for excellent costume cover-ups at festival performances. G2D studio jacket orders will be sent out in November – stay tuned for details!
